

1st CIRCULAR

EUROPEAN CONFERENCE ON PERMAFROST

A stylized graphic consisting of a dark brown mountain range silhouette above a light blue water body silhouette. The shapes are irregular and layered, with the water appearing to be in front of the mountains. The background features a faint, light-colored geometric pattern of overlapping triangles.

18-22 JUNE, 2023, PUIGCERDÀ

6th European Conference On Permafrost
Puigcerdà, Catalonia, Spain
June 18-22, 2023

EUCOP6 PUIGCERDÀ

18-22 JUNE 2023

We will be pleased to welcome you at the beginning of the summer 2023 in Puigcerdà, at the heart of the Eastern Pyrenees for three exciting days of plenary lectures, oral presentations and posters, combined with several local field trips across the eastern Pyrenees (Cerdanya, Núria, Andorra, etc). Two 3-day-long regional field trips across the Pyrenees will be organized before and at the end of the conference.

Conference daily agenda

Wednesday 14 - Friday 16: regional field trip (Central-Eastern Pyrenees)

Saturday 17 - Sunday 18/06: PYRN days (meeting, field trip, and more!)

Sunday 18/06: IPA council meeting, workshops, ice-breaker dinner

Monday 19/06: 1st day of sessions

Tuesday 20/06: 2nd day of sessions

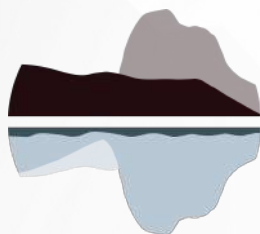

Wednesday 21/06: local field trips

Thursday 22/06: 3rd day of sessions

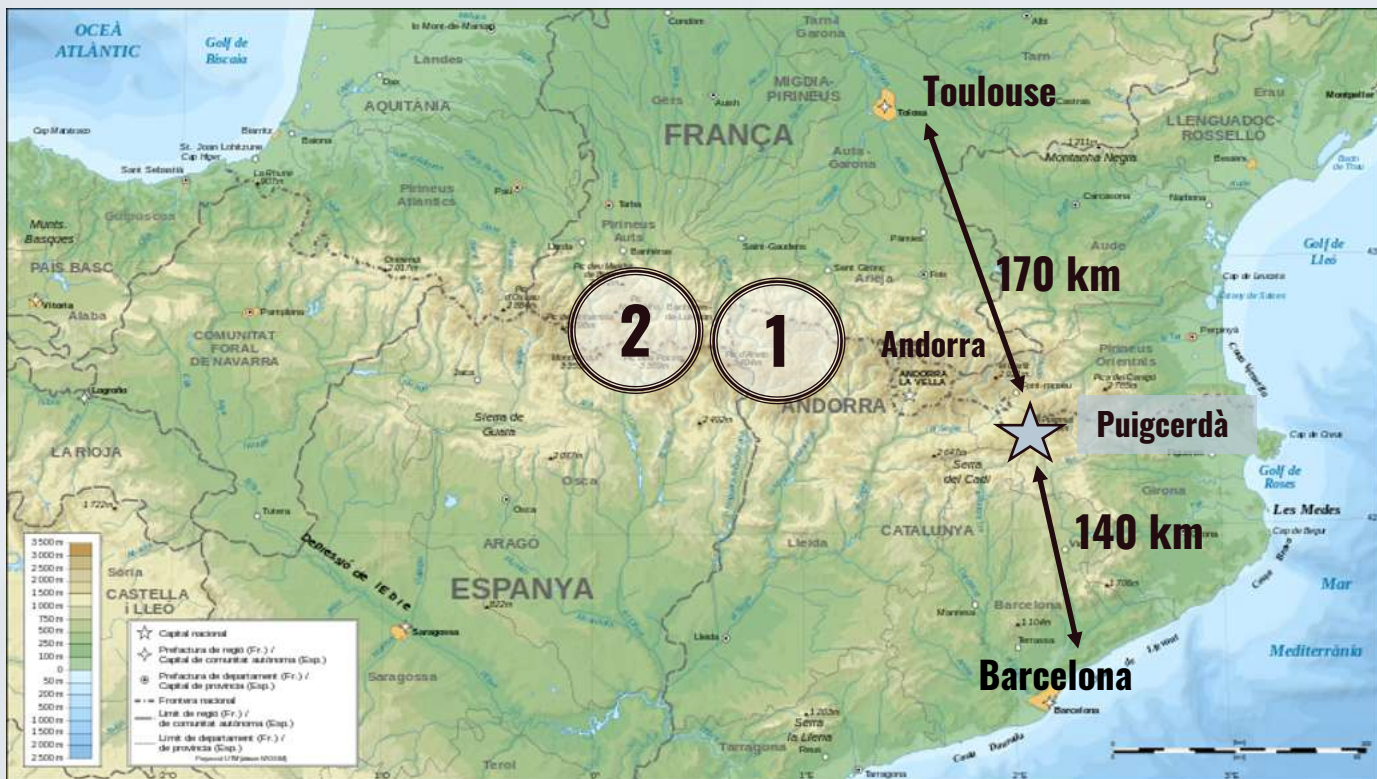

Friday 23/06 - Sunday 25/06: regional field trip (Central Pyrenees)

Important deadlines

- ▶ Website available: end of February
- ▶ The **call for session proposals** will be open from early **March 2022 to mid-April 2022**
- ▶ The **call for abstract submissions** will be open from **September 2022 to December 2022**
- ▶ Decision on abstracts (orals/posters) in February 2023
- ▶ Early bird registration until the end of March 2023

Enjoy the *permafrost* of the Pyrenees through two field trips!

1
Pallars-Aran valleys
Pre-conference (starting from Barcelona)

2
Central Pyrenees
Post-conference (starting from Puigcerdà)
